

DZ-280/A

DZ-300/A

**Description:**

DZ-A series household vacuum machine creates maximum air extraction. The product after packing can be prevented from tainting by odor, off-odor or dehydration and be kept fresh for longer time at normal temperature.

**Features:**

1. Excellent vacuum extraction performance.
2. Small in size, simple in structure, easy to use.

**Application:**

DZ-A series household vacuum sealer is applied for all kinds of plastic bags for vacuum packaging.
